## PROFILE

A former artist graduate with a flair for Web Development, I used the Covid pandemic to finally study "Full Stack Web Development" so I can pivot into this space. Hardworking and intellectually invested, I'm able to effectively self-manage during independent projects, as well as collaborate as part of a team. I also bring with me a can-do attitude and have ability to learn quickly.

## EMPLOYMENT HISTORY

|   |  |        |
|---|--|--------|
| Nov 2017 — Mar 2020   | <b>Waiter, Pig &amp; Tiger</b>                           | Berlin |
| <ul style="list-style-type: none"><li>- A part time role whilst learning German, I built up a reputation for delivering excellent service and single-handedly increased the number of the restaurant's &lt;regular&gt; customers.</li><li>- Trained up other members of staff</li><li>- Frequently used my people skills for satisfactory conflict resolution and objection handling with customers.</li><li>- Role wound down due to Covid</li></ul>   |  |        |
| Jun 2016 — Nov 2017   | <b>Analyst Clipper, MediaMonitor</b>                     | Lisbon |
| <ul style="list-style-type: none"><li>- A varied role scouring the media (TV, Radio, published newspapers and Internet) for ratings and appearances on behalf of clients so they could get an overview of outside perceptions of their companies and organizations.</li><li>- Main client base consisted of brands, football teams, TV stations (for show ratings, etc), large companies (for business intelligence), political and non-political organizations.</li><li>- Role included use of many different types of software (see separate section below) and required extensive knowledge of domestic and global current affairs/hot topics.</li></ul> |  |        |
| Feb 2013 — Jun 2016   | <b>Back Office Associate, EDP - Energias de Portugal</b> | Lisbon |
| <ul style="list-style-type: none"><li>- Using SAP software, analyzed and audited customer billing to look for patterns.</li><li>- By doing trend analysis and looking at historical energy usage it was possible to flag fraudulent activity and also identify new trends in customer behavior.</li><li>- After one year in the role was promoted to analyze medium and large company accounts.</li></ul>   |  |        |
| Jun 2010 — Feb 2013   | <b>2D &amp; 3D Animator, Bando à Parte</b>               | Lisbon |
| <ul style="list-style-type: none"><li>- First role after finishing college, working on animations for a renowned Portuguese animator artist.</li><li>- Role involved extensive use of Adobe Photoshop and After Effects along with several others.</li><li>- Also post-produced a personal film for the same artist, which was screened at the Monstra Animation Film festival.</li></ul>   |  |        |
